**SUPPLEMENTAL CERTIFICATE UNDER 37 C.F.R. § 3.73(b)**

Dear Sir:

This Supplemental Certificate Under 37 CFR § 3.73(b) augments and corrects any deficiencies in the original Certificate Under 37 CFR § 3.73(b) submitted July 17, 2003, as noted in the Office Action dated May 30, 2008.

In section A, Applicant provides documentary evidence of the chain of title (recording reel/frame of each assignment in the chain of title) from the original inventors to Atwood Mobile Products LLC and a statement averring that Atwood Mobile Products LLC is the current owner of US Patent 5,650,054.

In section B, Applicant provides a statement by Atwood Mobile Products LLC (supported by the above-noted documentary evidence) that Atwood Mobile Products, Inc. was the assignee of US Patent 5,650,054 on July 17, 2003 when the Reissue Application was filed and when the original Certificate Under 37 CFR 3.73(b) was executed and filed.

A. Atwood Mobile Products LLC

Atwood Mobile Products LLC, the owner of all right, title and interest to the above-referenced patent, states that it is:

The assignee of the entire, right, title and interest in the patent identified above by virtue of:

(1) An Assignment from the inventors of the patent application/patent identified above to Atwood Industries, Inc. The assignment was duly recorded in the United States Patent and Trademark Office at Reel 008057, Frame 0813 on July 30, 1996;

(2) An Assignment from Atwood Industries, Inc. of the patent application/patent identified above to Anderson Industries, Inc. The assignment was duly recorded in the United States Patent and Trademark Office at Reel 016206, Frame 0187 on June 30, 2005;

(3) An Assignment from Anderson Industries, Inc. of the patent application/patent identified above to Dura Operating Corp. The assignment was duly recorded in the United States Patent and Trademark Office at Reel 016206, Frame 0235 on June 30, 2005;

(4) An Assignment from Dura Operating Corp. of the patent application/patent identified above to Atwood Mobile Products, Inc. The assignment was duly recorded in the United States Patent and Trademark Office at Reel 014242, Frame 0122 on July 7, 2003; and

(5) An Assignment from Atwood Mobile Products, Inc. of the patent application/patent identified above to Atwood Mobile Products LLC. The assignment was duly recorded in the United States Patent and Trademark Office at Reel 021127, Frame 0676 on June 22, 2008.

Thus, the documentary evidence of the chain of title from the original owners to the assignee was submitted for recordation pursuant to 37 CFR 3.11, as presented above.

B. Atwood Mobile Products, Inc.

Further, Atwood Mobile Products LLC, the current owner of all right, title and interest to the above-referenced patent, states that at the time of the filing of the Reissue Application 10/621,637 on July 17, 2003, Atwood Mobile Products, Inc. was the assignee of the entire, right, title and interest in the patent identified above by virtue of the assignments noted in paragraphs (1) through (4) above. Thus, at the time of the filing of the Reissue Application, Atwood Mobile Products, Inc., the signatory of the original Certificate Under 37 CFR § 3.73(b) submitted July 17, 2003, was authorized to consent to the filing of the Reissue Application. Documentary evidence of the chain of title from the originals owners to the Atwood Mobile Products, Inc. was submitted for recordation pursuant to 37 CFR 3.11, as presented above in paragraphs (1) through (4).

Mr. Mark Smith, Director of Engineering, of Atwood Mobile Products LLC, is authorized to act on behalf of the assignee, Atwood Mobile Products LLC.
